

Ordering Products

To place an order for products follow the below steps.

1. Login to your account at RhythmLink.com/login. If you have not setup an online account with RhythmLink, please see *Setup Online RhythmLink Account*.

The screenshot shows the RhythmLink website's login page. At the top left is the RhythmLink logo. To the right is a search bar and navigation links for 'Login', 'Contact Us', and 'Hours and Location'. Below the logo is a navigation menu with 'Product Lines', 'Our Company', 'Custom Solutions', and 'Customer Support'. The main content area is titled 'Login' and contains a form with 'Username' and 'Password' fields, and a 'Login' button. At the bottom right, there is contact information including phone numbers, fax, and mailing address. At the bottom left, there is a 'SUBSCRIBE TO OUR MAILING LIST' section with an email address input field and a 'SUBSCRIBE' button.

2. Select *Product Lines* and click on the product line that you are interested in on the right side.

The screenshot shows the RhythmLink user dashboard. The top navigation bar includes 'Product Lines', 'Our Company', 'Custom Solutions', and 'Customer Support'. The main content area is titled 'My Orders' and is divided into two sections: 'MY PROFILE' and 'MY LAST 20 ORDERS'.

Lead Wire: ●

Negotiated pricing displays in bold text

Product Number	Probe Diameter	Probe Length	Tip Diameter	Lead Length	Qty	Price	Action
RLMSP051-2.5	1.5mm	100mm	75mm	7.5m	1	\$60.00	View

The page also features a 'Stimulating Probes' section with a '2.3mm Ball Tip Stimulating Probe' image and a 'View Catalog' button. The right sidebar contains a navigation menu for various electrode types and contact information.

NOTE: Products that are purple bolded with flag are your negotiated pricing. Pricing that is not bolded, is retail pricing. If you are interested in a negotiated price, please contact our Sales Team - sales@rhythmink.com.

- To add a product to your shopping cart, select the *shopping cart icon* next to the product that you are interested in.
- Continue selecting products to add to your shopping cart. If you would like to add products from a different product line, select the product line from the right side, select products and add products to your cart.

EEG Electrodes

Reusable EEG Spiders™

With Rhythmink's EEG Electrode line, customers can choose from a variety of EEG Electrodes specifically designed to provide quality recordings. Obtain reliable recordings by maximizing surface area and increase patient comfort using our flat Webbs™ EEG Electrodes, or its reusable counterpart, the Spider™ EEG Electrode. Reduce cross contamination and be economical using Rhythmink's Disposable Slim EEG Cup Electrodes or Disposable Deep EEG Cup Electrodes. No matter what your specialty is, we have an electrode to fit your needs.

Are you curious about the benefits of using disposable electrodes versus traditional reusable electrodes? Click here to read our e-book ["Disposable vs Reusable EEG Electrodes"](#).
